Talking is one of the best ways for children to learn new words.

Speak to your child often during the day and try to use many different words to express your ideas. Children love to imitate, and they will try to imitate your speech. Chances to chat include while you are getting dressed in the morning, eating breakfast, riding in the car, walking from the car to a store, playing together, doing chores, taking a bath, going to bed, and while saying goodnight. Ask lots of open-ended questions, those that require more than a yes or no answer.

**RAIN, RAIN, GO AWAY**

Rain, Rain,  
Go away;  
Come again,  
Another day;  
Little [child's name] wants to play

**I HEAR THUNDER**  
*Sing to the tune “Frère Jacques”*

I hear thunder, I hear thunder.  
(Pound hands gently on floor or lap)  
Listen, don’t you? Listen, don’t you?  
(Cup hand to ear)  
Pitter, patter raindrops; pitter, patter raindrops;  
(Wiggle fingers in falling motion in front of face)  
I’m wet through,  
(Shake body)  
So are you!  
(Tickle your child)
