## Children's reading success in kindergarten and beyond begins with positive language and literacy experiences from the time they are infants.

- Young children have shorter attention spans. You can do activities for short bits of time throughout the day or whenever you have the chance.
- You can help your children learn in ways and at times that are best for them.
- Parents are tremendous role models—if your children see that you think reading is important and enjoy it, they will follow your lead.
- Children learn best by doing—and they love doing things with YOU!

### WHEELS ON THE BUS

The wheels on the bus go round and round,  
Round and round, round and round.

The wheels on the bus go round and round,  
All around the town.

The wipers on the bus go swish, swish, swish . . .

The driver on the bus says "move on back" . . .

The people on the bus go up and down . . .

The babies on the bus go "wah, wah, wah" . . .

The parents on the bus go "shh, shh, shh" . . .

ADAPTATION: THE HORSE ON THE FARM  
GOES "NEIGH, NEIGH, NEIGH"; COW, LAMB, PIG, ETC.

### IF I WERE A BIRD

If I were a bird, I'd sing a song  
And fly about the whole day long.  
And when the night comes, go to rest,  
Up in my cozy little nest.
